

# A JOB WITH MORE – OPPORTUNITIES IN REGIONAL WA

**Kimberley District**  
**Derby Police Station**  
**1/C Dan Ginbey**

*"Derby is a unique part of the country with many locations to fish, camp and enjoy some stunning scenery. The Derby community embraces police and appreciates the work we do. Come and enjoy a cultural experience and a rewarding lifestyle. If you're ready to experience Kimberley life, why not try out Derby. Derby is regarded as the 'real Kimberley' located at the start of the iconic Gibb River Road."*

**Goldfields-Esperance District**  
**Coolgardie Police Station**  
**PC George Mclean**

*"I want to pursue a career in crime ultimately working as a Detective and Regional WA has provided me with the experience and opportunities to upskill and work towards that goal."*

**South West District**  
**Bunbury Police Station**  
**PC Dani De Sousa Fra**

*"I love the work / life balance Bunbury Police Station offers. It really is the best of both worlds with the relaxed small town feel but still having the opportunity to be involved in complex investigations and a fast-paced working environment. We are so lucky living in this beautiful part of the world with postcard worthy beaches and being on the doorstep of world-renowned wineries and surf spots."*

**PC Chris Martin**

*"I love living in the South West due to the relaxed lifestyle, great attractions and closeness to Perth. Being close to the Margaret River Region and world class beaches is a great day out. Bunbury has a metro feel but with a small-town, coastal lifestyle. I would recommend Regional WA to any serving officer."*
